This matter was opened to the New Jersey State Board of
Massage and Bodywork Therapy ("Board") upon review of Carol A.
Kane's application for licensure as a massage and bodywork
therapist. Upon a review of the application, and the results of

the Criminal History Background Check, it was ascertained by the Board that although the applicant had indicated "N" for "no" in response to the questions relating to arrests and convictions on the application, she had been charged with assault on April 8, 2010, which charges later were dismissed. The applicant claimed that she did not disclose the arrest on her application because she assumed that since the charges had been dismissed, she was not required to answer "yes" with respect to the question as to whether she had ever been arrested.

The Board finds that the applicant knew or should have known that by failing to disclose the above-cited charges on her application in response to the questions about arrests and/or convictions she was providing inaccurate information, and that she therefore engaged in misrepresentation on his application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS ON THIS 12th DAY OF November, 2013

HEREBY ORDERED AND AGREED THAT:

1. A \$100.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment

shall be in the form of a certified check or money order, and shall be submitted along with this signed order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees and demonstration of satisfaction of all requirements for licensure, if she has not already done so.
